- Jazz and Rock'n'Roll music
- Creative works of our students

# 2016 announced to be the Year of English Language in Ukraine

It is planned to establish TV and radio programs of learning English for different categories of Ukrainians

Ukraine's President Petro Poroshenko signed a Decree "On Declaring 2016 the Year of English Language in Ukraine", as states the media office of the head of the state. The Cabinet of Ministers was instructed to elaborate and approve a complex of measures for 2016 and the following years aimed to intensify English studying in

Ukraine.

«It is necessary to develop mutual exchange of pupils and students between educational facilities of Ukraine and foreign states where English is the main language of communication. Ukrainian general education institutions should take active part in the EU program "E-Twinning Plus". Ukraine should involve foreign professionals and native speakers in teaching

English and simplify their entry and stay in Ukraine,» according to the statement.

It is planned to establish TV and radio programs of learning English for different categories of people and demonstrate movies in English with Ukrainian subtitles.

Under the Decree, it is necessary to evaluate public servants' knowledge of English and organize language course for its study.

# Eurovision 2016 in Kharkiv

This May there was a competition in our district. It`s Eurovision 2016. Germany needed to be presented by students of our school. They baked cookies, brought coins, pictures,

German magazines, slogans. Kids prepared hand-made art things. The best was a splended middle-aged castle! Everybody could inspire a German atmosphere. Pretty girls of the

10th grade presented our school with a song «Hands up!» by Ottawan from far away 90s .

# Summer Camp

Summer is a time of joy. All children like this season the most because they have a lot of free time. Summer is the best time for adventures.

There are a lot of kids who go to a summer school camp. A summer school camp usually starts its work in June every year. In the camp all the children are divided

into few teams. Each team has a name and a slogan, which characterises intent of this team. Also every team does interesting tasks and takes part in different competitions. Sometimes children go to a swimming pool or cinema to watch different films. There was a drawing contest and dances. Children were drawing pictures,

the best ones were exhibited. The best dancers got prizes. They enjoyed this summer because they got to spend it all together.

They were happy to spend a lot of time in a camp. Kids are waiting for the next summer school camp.

# Jazz and Rock'n'Roll music

This activity is devoted to prominent singers and musicians from Great Britain and America. They are Elvis Presley, "The Beatles" and Liu Armstrong. From the teacher's presentation students find out an interesting information about these people. They recognize their world

- hits and can sing and dance with their music. This activity introduces students to British and American culture and enlarge their knowledge about English - speaking countries and their people. They recognize their world-hits and can sing and dance with their music.

This activity introduces students to British and American culture and enrich their outlook about English speaking countries and their people .

*My love is not eternal...*

My love is not eternal,  
you must understand.  
When I leave completely.  
you don` t scream «Stand»!  
If I leave forever,  
don` t help four leaf clover.  
But I love you. so I` ll stay.  
Only with my feelings don` t play.  
My love is not eternal,  
you must understand.  
When I leave completely,  
you don` t scream «Stand»!

by Julia Pogrebitska 11-A

\*\*\*

I look at you and see the light.  
It makes my world bright.  
And gives me inspiration  
To Find my vocation  
Thank you for this  
and thank for the memories,  
It warms me every day  
But it is not all that I want to say.
